UPDATE ON ITINERATION FUND-RAISING TO GET TO THE FIELD

Monthly Commitments
\$6800 is the total needed

Approximately half this total will be for work projects in the field.

■ Needed
 ■ Raised

Our total Monthly Commitments Goal is **\$6800 per month**.
We are currently approaching 60% of this goal.
 (We have individuals and churches giving anywhere from \$5 to \$225 per month. We're thankful for any amount that can be given, to help us reach budget and get to the field.)

We also have a Cash Budget of **\$35,400** that must be raised.

Both of these budgets must be raised 100% in order to get the 'green light' to go to the field.

~ So we thank you so much for your faithful support. Without it we will not get to the field. It is truly our God-ordained lifeline.

This photo shows an example of what your giving will accomplish. This is the beginning of a church that has never been completed. With your help we will be able to complete projects such as this one. In this case, the existing church building at the far right will become the school for the children, and the new building will become **the church** for this community. It is your help in getting us to the field with 100% of our budget that will speed the completion of this project as well as the realization of others.

Our target departure date has now been extended by AGWM. It still looks like it will take a miracle to raise our budget but we know that with the necessary help from God – through His people – it *can* be done! Thank you so much for prayerfully considering what you may be able to do.

So Many Missionaries!!! I understand this year's School of Mission was the largest ever – and it was the first we ever attended. The programs for the children as well as the missionaries were outstanding. We thank God for the opportunity to learn so much from veterans more experienced than ourselves!

HOW ARE HAVILAH & BILLY DOING? They are doing well. They're playing in a Christian band called "Broken" and very active in church. They live close by and are both working and going to school. Billy is continuing his Bible training (through ICI/Berean) to become a minister. ~ Please pray for them, as they have 'a lot on their plate'!

Christina had a good summer and is now back at school, in second grade.

Emily was in a play this summer. Now she's enrolled at the County College and also working.
